

# Competition Time

We have recently introduced two new 'Apps' at St Ann's.

Both of these 'Apps' can be downloaded free of charge from the 'app store.'

Information has been sent out in the homework packs and can be found on the school website.

By downloading these apps, your name will be entered into a prize draw with a chance to

**'Win a basket of toys worth over £40 and also receive  
A NEW SCHOOL SWEATSHIRT WITH A NEW SCHOOL BADGE.'**

**ParentHub** is a communication app which can be downloaded free from the app store. By downloading this free app on your tablet or phone you will be able you to keep up to date with everything that is going on in the school. It's a great way of receiving information from both your class teacher and the rest of the school.

From September we are becoming a cashless school. This means that all payments made to school for school lunches, trips, uniform and snack time should be made through the **'Teacher2Parent'** app which can be downloaded free from the app store.

Please download these APPs- **Bring your phone into school for help with this.**

You will be automatically entered into the draw for each prize and receive a **NEW SCHOOL SWEATSHIRT**.

The prizes are pictured below.
